What's The Fishwrapper?

The Fishwrapper is a biweekly publication with a loyal readership. Because our publication gets read, your business gets results. Use it to advertise your event, find the right employee, or to grow your business.

What Makes The Fishwrapper Different?

Instant Trust

Fishwrapper readers appreciate the core moral values and positive content of the publication, and by extension, trust the advertisers.

Extended Circulation

Instead of throwing *The Fishwrapper* away without reading it, our readers eagerly anticipate each issue, and often pass their copy on to friends and family, who regularly pass it on again.

Extended Shelf Life

Because it's appreciated and shared, *The Fishwrapper* content long outlives that of other competing publications. Your ad will be seen long after the issue date on its front cover.

What Are Others Saying?

 ... I choose to advertise there because I just know that people who pick up and read these type of stories will also make good customers. We have had a lot of feedback from *Fishwrapper* readers, so we know that it is working from a business standpoint...
